Tazewell, VA

**"ALL THE THINGS  
YOU ARE"**

# **THE 1989 PEAK STAFF PROUDLY DEDICATES THIS YEAR'S ANNUAL TO MRS. BRENDA DAVIS.**

To capture the spirit of Mrs. Brenda Davis in this small space is indeed a challenge. We have chosen to honor her because she is the embodiment of Tazewell High School's most cherished ideals.

Mrs. Davis is, of course, a teacher, one who has for eleven years guided students to competence at the typewriter keyboard. Beyond that, however, Mrs. Davis is a friend, a fan, and a cheerleader in the spiritual sense of the word. Always ready with a cheery greeting, a kind word, or an encouraging opinion, she has lifted our spirits on countless occasions. Her energetic pace leaves us amazed; we marvel at her stamina as we follow her up and down, around and about.

We have found Mrs. Davis unfailingly approachable; never have we been afraid to ask for her assistance. Nor can we recall a negative response when her time has been solicited toward any cause that furthers the improvement of our school. To know Mrs. Davis, however, is to know that her interest is not only in Tazewell High School but in each of us as individuals. Her concern has imprinted itself in our lives in a manner that neither correction tape nor white-out can erase.

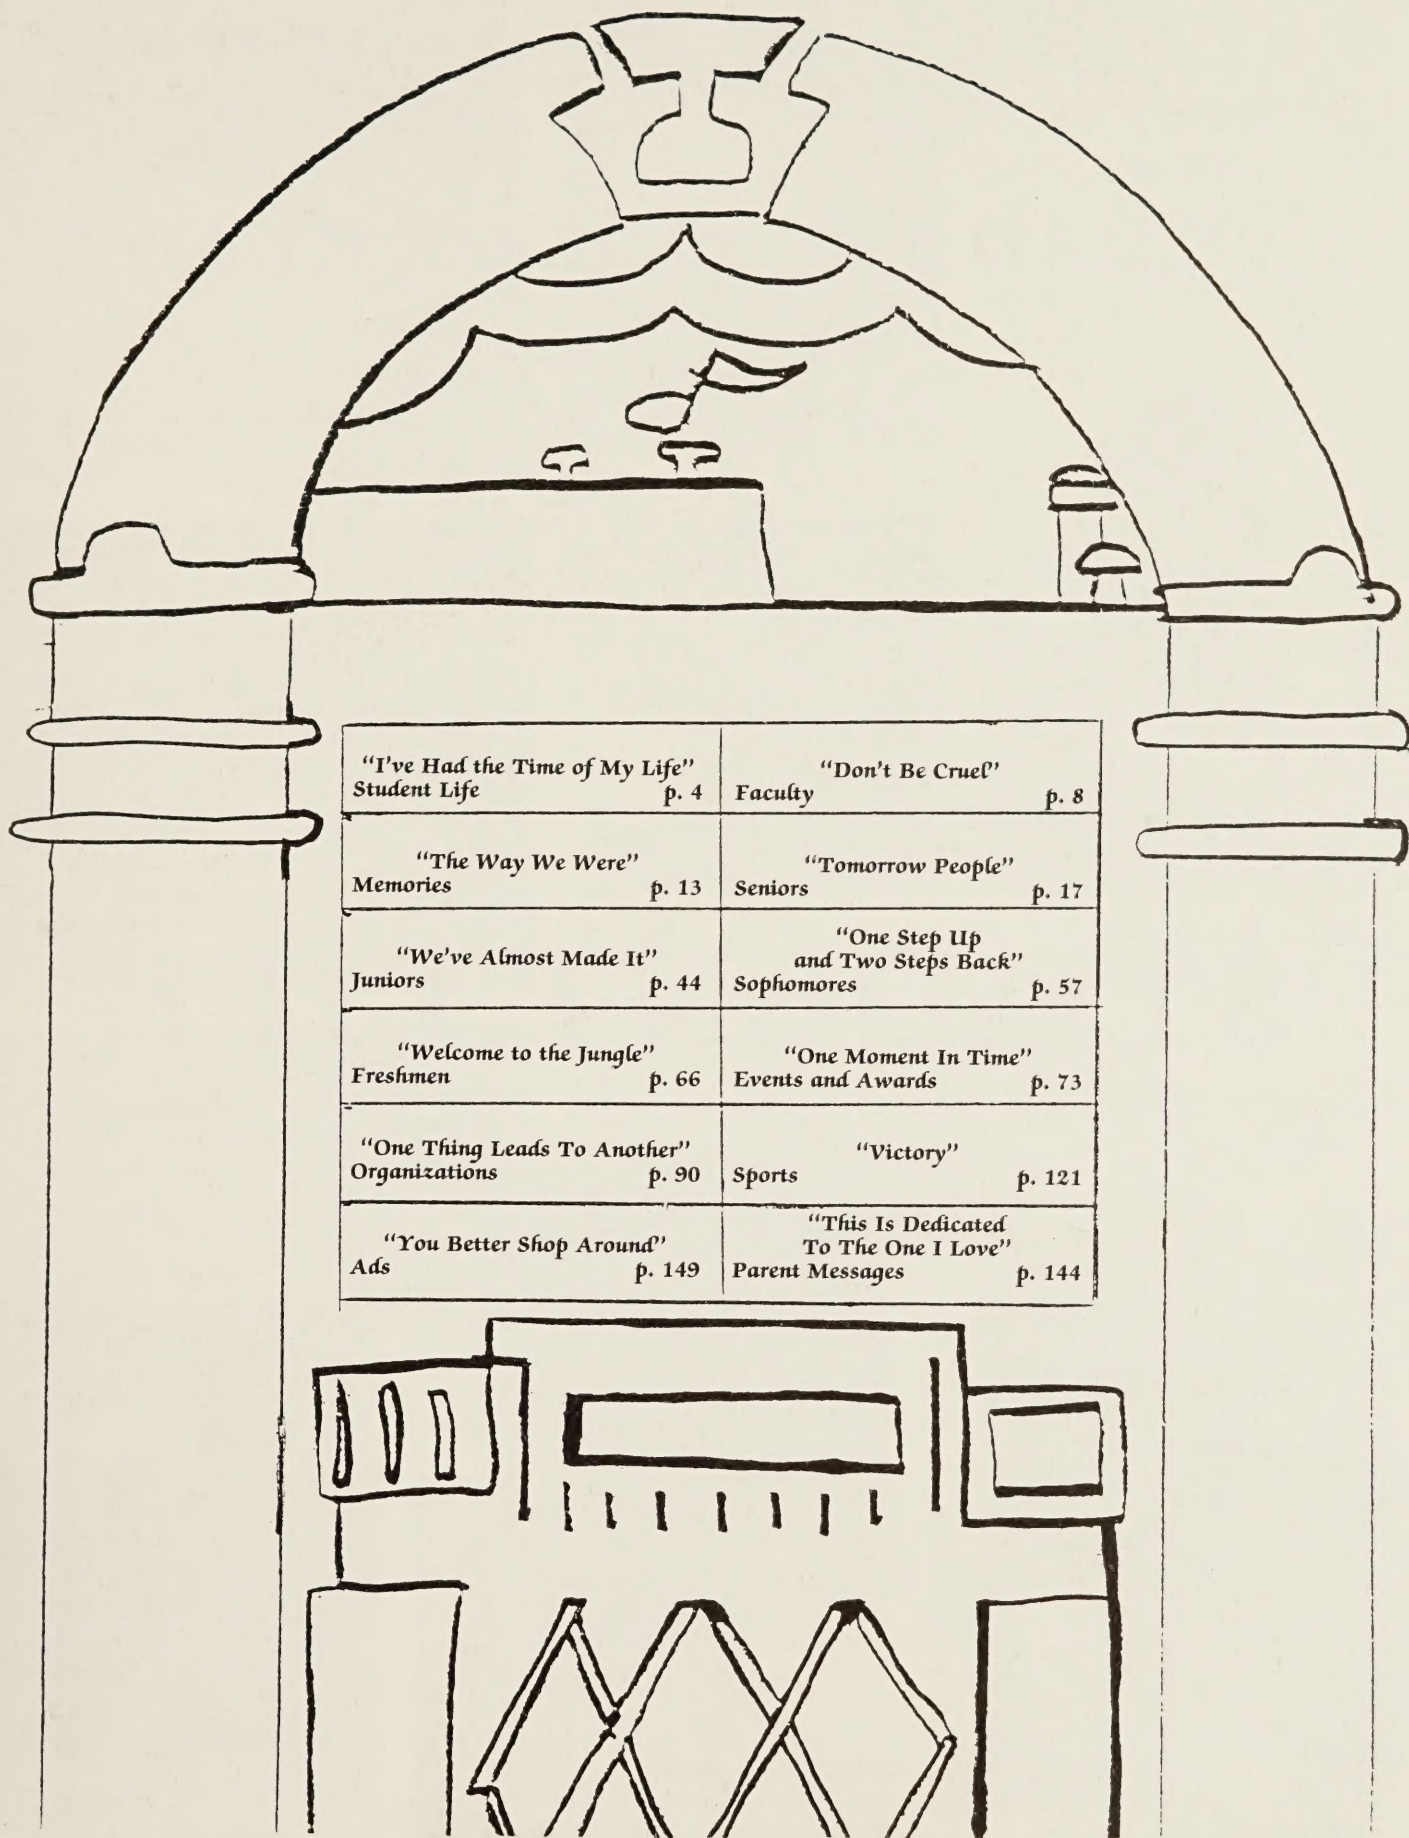

Although she is short of stature, the tallest of students looks up to Mrs. Davis for her high ideals. We have learned from her that the highest standards of conduct are quite compatible with an undeniable enjoyment of life, for Mrs. Davis, in a word, is fun.

As we look back through the years at the ways in which Tazewell High School has touched our lives and shaped our futures, we will surely remember that Mrs. Davis cheered us on.

With our admiration, gratitude,  
and love,  
The Peak Staff of 1988-89 and the  
Class of 1989

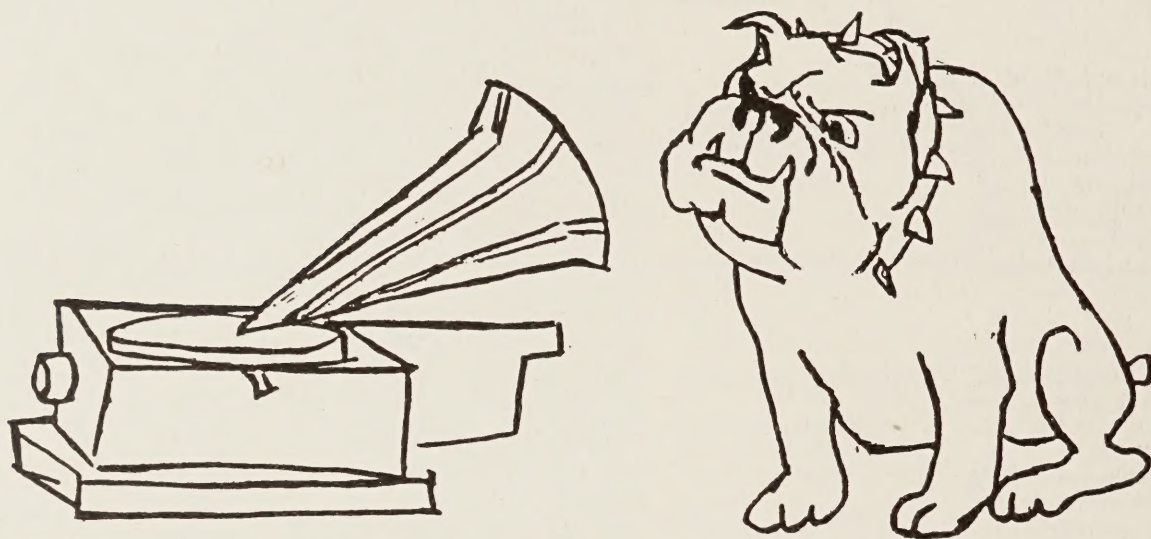

We have identified sections of the 1989 annual by means of song titles, which remind us that "The Peak Rocks." As the years go by, may we remember all the good vibrations of Tazewell High School.

# ADMINISTRATION

Mr. Charles B. Beggs is principal of Tazewell High School. Mr. Beggs graduated from Matoaka High School and earned his Bachelor's Degree from Concord College. He later attended Virginia Tech and obtained his Master's Degree. Before coming to Tazewell, Mr. Beggs taught math and social studies in several schools in West Virginia. He has also been an administrator at Richlands High School. Mr. Beggs' feelings about Tazewell High are summed up by his familiar license plate: THS NO. 1

Mrs. Iva Dean is assistant principal of Tazewell High School. She is a graduate of Big Creek High School and Concord College. Her Master's Degree was earned from Radford. Mrs. Dean formerly taught English and math in West Virginia, Tennessee, and in other Virginia schools. Mrs. Dean is always ready to help teachers or students who have problems to be solved. She is an important asset to Tazewell High.

Mrs. Peggy Lawson is Tazewell High School's secretary. A glance into the administrative office will quickly show that she is one of the school's hardest-working individuals. Among her responsibilities are taking telephone calls, correspondence, and general record keeping. Mrs. Lawson always has a smile despite the everyday hassles of the office.

Business as usual?

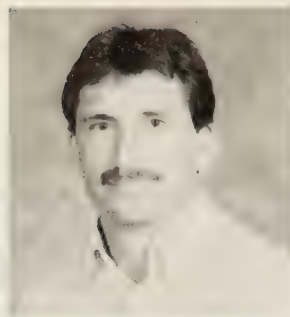

Mrs. Mary Hayes is the accounts keeper for Tazewell High School. The day-to-day operations of the school require careful accounting for various funds: book fees, club treasuries, picture money, and much more. Mrs. Hayes this year has moved out of the front office in order to pursue her job more efficiently, and many of us miss seeing her friendly face.

"Tomorrow's test covers five units." "Your twenty journal entries are due Friday." "I'm turning in a detention slip on you." "That is your fourteenth zero this six weeks." "No, you may not go to your locker."

Is this evidence of teacher cruelty, or what? Why, we wonder, can't teachers be more easy going? Why are they always pushing, demanding, and reprimanding? Do they have to make life so difficult?

Then we remember the teacher who explained so patiently, the teacher who spent so many hours with us in after-school activities, and the one who always made us feel good about being here. Most of all we recognize that because of their efforts, we have grown mentally and have learned things that will help us face the future.

So thanks, teachers, but PLEASE . . . "don't be cruel!"

# THE SPIRIT OF T.H.S.

Our memories of Tazewell High School include not only faces and events, but also a special feeling that we might call the "Spirit of T.H.S." Nowhere was this feeling more evident than in the lifelong support of Mr. Joe Brown Heldreth, whose spirit we here recall.

In his memory we dedicate this page, which attempts to capture just a few of the many sources of Tazewell pride.

## T.H.S. ALMA MATER

Where mountains stand so boldly,  
Where skies are always bright,  
Our Alma Mater lifts her head,  
And sings her strength and might.  
We lift our eyes unto the hills,  
That shelter Tazewell High.  
They give us strength to love and serve  
That dear old school of mine.

O Tazewell High, we love thee,  
Our Alma Mater dear.  
For you we stand and sing our song  
of praise for all to hear.  
We love thee, Tazewell High School,  
Your light forever shines.  
It shines to guide and keep me near  
That dear old school of mine.

## CLASS OF 1989

Four years ago, the halls of T.H.S. seemed uninviting, and the faces we met there were often unknown. Now, as we tread these same halls, meeting the same faces, we are aware that the place seems like home, and many of the people as close as family. We leave Tazewell High School with a strange mixture of jubilation and regret. We celebrate our freedom from between these walls, but acknowledge that we will miss the experiences — the good times and the bad, the challenges and the victories, but especially the friendships — that these four years have allowed us.

Our Senior year was like most: an action-packed 180 days, some incredibly stressful and others just plain fun. Together we confronted the dual tasks of completing high school and preparing for life beyond it. There were S.A.T.'s and A.S.V.A.B.'s, mailboxes filled with college advertisements, visits to campuses, and — finally — there was the difficult choice that would help to determine our future paths.

We go now in many directions: to colleges and universities, to the service of our country, to occupations, to homemaking. Confidently we embrace the future.

We are "Tomorrow People."

The staff members are arranged in many rows, with some standing and some sitting. They are dressed in casual attire typical of the late 1980s. The background features a grassy area, trees, and a building. The photo is oriented horizontally on the page.

## CLASS OF 1990

What a sense of excitement there is in realizing that you have almost made it to the top! One more year! It hardly seems possible.

As juniors you really learned to work together and become a unit, for you were confronted with endless fund-raising and prom-planning. A sense of teamwork gave you added pride in being the Class of 1990. You also felt that you were finally an important part of the school, as you took leadership in many clubs and played varsity sports for T.H.S. You even had your own parking lot, and could sometimes drive to school.

The junior year was also a time to get serious about the future, as you began to look at college choices and to take various tests recommended by guidance counselors. You could begin to envision the day when you would no longer be in high school. With pride you realized that "We've almost made it!"

## CLASS OF 1991

The sophomore year is a real mixture of experiences. It does sometimes seem that you take one step forward and two steps back. You are no longer the most inexperienced group in school, you know your way around, and yet you still don't get the respect of an upperclassman. You are not newcomers any more, but you still face two more long years of high school. You have a learner's or even a driver's license, but you rarely get to go out on your own. Your parents seem to think you are still a freshman.

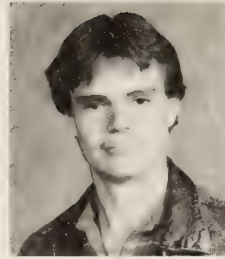

Don't be discouraged! You really have taken more steps forward than you realize. As Juniors next year you will suddenly feel that time is flying and that it took no time at all to become an upperclassman. Wear your new class ring with well-deserved pride, and continue to participate in all that Tazewell High School has to offer. You have taken a giant step forward.

Welcome, freshmen, to the jungle of T.H.S.! Well, maybe it isn't exactly a jungle, but you do need to stay awake in order to survive. It's an unwelcome adjustment to suddenly be the youngest group in the school, and to feel that everybody else looks down on you. You have adjusted, though, as you have made your way into our jungle. You have learned your way around, figured out which teachers are really serious about tardies, and whom to talk to if you have a problem. You have also made yourselves an active part of this school. Some of you have excelled in classwork, while others have become active in sports and clubs. We challenge you to continue to conquer this jungle, for among you are tomorrow's leaders of Tazewell High School.

Look out, T.H.S., here we come!

# SPECIAL PEOPLE - SPECIAL EVENTS

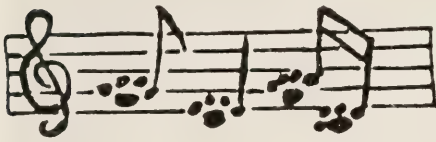

TANIA CRISTINA OLIVERA DE GONCALVES

## "GETTING TO KNOW YOU"

Tania Cristina Olivera de Goncalves spent the 1988-89 school year at T.H.S., many miles from her home in Belo Horizonte, Brazil. As a participant in a Rotary Club exchange program, "Cris" was the guest of four different families through the year. Upon arrival here, she had no experience with spoken English, but rapidly developed the ability to communicate. Early in her stay here, she explained that she had always wanted to learn a new language, make friends, and see new places. Her stay in Tazewell fulfills this dream for her.

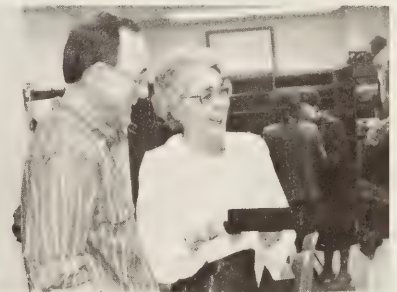

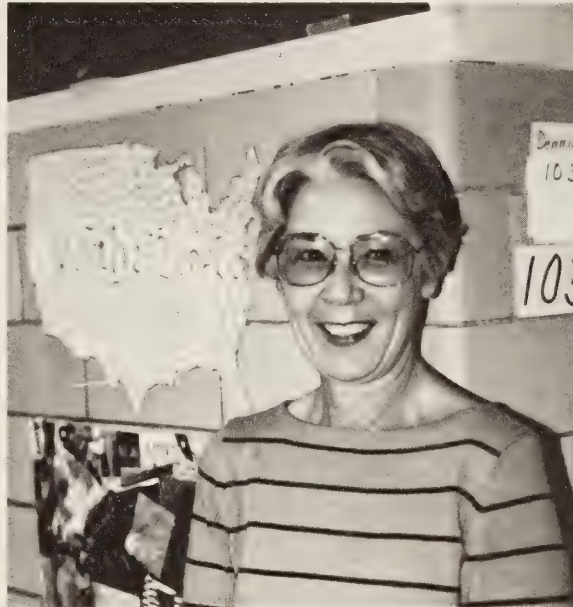

Cris's outgoing personality and desire to learn have gained her many friends among T.H.S. students and faculty. We have all benefitted from this cultural exchange, and we extend to Cris our best wishes as she returns to Brazil.

## "MOVIN' ON"

The start of this school year was marked by the sadness of saying goodbye to Mrs. Emmy K. Dennison, who retired at that time. Mrs. Dennison, herself a graduate of T.H.S., had been a teacher here for many years. Most of us knew her as the government teacher whose pride in the U.S.A. was matched by her pride in our school. We saw her personal interest in Tazewell students as she posted near her door clippings concerning their accomplishments. She knew many of us, even though we had not yet been in her classes, and she never failed to give a cheerful greeting as we passed by. From earlier seniors we had learned that Mrs. D's class, and her friendship, were experiences to look forward to. We are disappointed to have missed being her students, but glad to have known her as the friendly lady in room 103.

Mrs. Dennison continues to reside in Tazewell, and although we feel her absence at T.H.S., we wish her the best as she enjoys a well-deserved retirement.

## "LOVE STORY"

In November of 1988, our own bachelor biology teacher Mr. "Bird Ed" Kinser reached the conclusion that nests were meant for two, and invited a young lady to share his. Despite his attempts to keep the big date a secret, T.H.S. students were on hand to appropriately decorate his car in time for the wedding. Mrs. Kinser shares her husband's interest in feathered creatures, and at last report the two lovebirds were cooing contentedly.

On December 3, 1988, many girls from Tazewell High competed in the county-wide Snow Queen Pageant. Tazewell High was represented well when the school had a number of winners to claim. The pageant was sponsored by the Band Boosters.

This year the seniors of Tazewell High participated in a mock election. The voting was for the 1988 presidential election and Virginia's general elections.

On a cold and snowy December evening Tazewell residents and high school students watched and participated in the Christmas Parade. The Tazewell County Vocational School also participated with a float promoting holiday safety.

In early December the student body enjoyed an afternoon of volleyball. The girls' volleyball team went up against the faculty team. It was truly an afternoon filled with fun, laughs, and enjoyment.

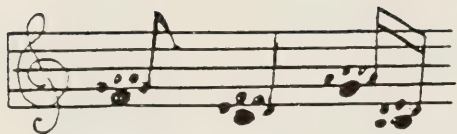

We've got them now!

Can we use both volleyballs?

Is it ever coming down?

FBLA is not a club. It is a co-curricular local, state, and national youth organization — an integral part of each business class. At T.H.S. each business class is a mini-chapter of the total chapter. Each mini-chapter has a school and community service project. All business teachers serve as FBLA advisers.

Total chapter projects include selling Christmas gift items, sponsoring the Miss THS Pageant, and preparing for regional, state, and national competitive events. Through the years, Tazewell has had many regional and state officers.

The chapter continues to work throughout the year with the Tazewell Area Chamber of Commerce and the Tazewell County Office on Youth. This year they have helped with the Tazewell County Heritage Festival in July, the Summer Festival in August, and the Halloween Bash in October.

The local chapter has been very active over the past twenty years, always receiving state "Honor Chapter" recognition and the national "Gold Seal" award.

The Latin Club was also revived in 88-89, and provided chances for students to practice the adage, "When in Rome, do as the Romans do."

The Student Council Association at Tazewell High School generated greater interest with this year's election campaign than in previous years. The candidates hung posters, visited homerooms, and distributed candy wrapped in political slogans. Following the highly contested races for President (Daniel McPherson) and Vice-President (Dennis Smith), other officers were chosen by their respective classes: Dewey Brooks, Secretary,

Ernest Penland, Treasurer, and Crystal Queen, Freshman Representative. Each homeroom elected a representative, also. The S.C.A. has organized committees for such projects as a memorial to Joe Brown Heldreth on the school grounds, participation in a county-wide program to slow the abuse of drugs and alcohol, as well as a campaign against school vandalism. Dances and fundraisers provide funds to improve the school.

## STUDENTS AGAINST DRUNK DRIVING

BOARD MEMBERS: President — Amy Brooks, Secretary — Tom Meadows, Treasurer — Kelli Brooks, Vice President — Anthony Brewster.

In 1988-89 Tazewell High School organized its first chapter of the national organization, Students Against Drunk Driving, S.A.D.D., as it is known, attempts to make students aware of the consequences of drinking and driving. Through discussion and guest speakers, club members learn of the magnitude of this problem. They work to encourage each other and the community to stand together against drinking and driving.

Mr. Lou Peery, Tazewell's teacher of Driver Education, has been instrumental in organizing this club. It has gotten off to an impressive start with a large student membership.

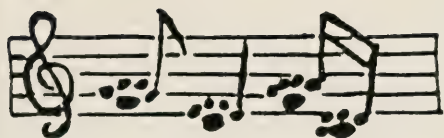

Board Members work on posters.

T.H.S. has two clubs for students who desire to participate in religious organizations. Both are involved in encouraging members to exemplify their faith in the school environment. Each club is active in projects which aid children, the elderly, and other members of the community. Typical projects are children's Christmas programs, and an adopt-a-grandparent program in conjunction with Heritage Hall.

The motto of Teens for Christ is "Helping Hands." The Fellowship of Christian Athletes reminds members that "Your talent is God's gift to you; what you make of your talent is your gift to God."

The popularity of these two organizations is an indication that many T.H.S. students are concerned with the spiritual aspect of life.

To the student body, the yearbook is a book filled with memories and events of the past year. This year's annual staff did their very best to see to it that this annual was better than ever. We worked hard meeting deadline after deadline and creating a variety of layouts. We hope that all of T.H.S. will enjoy this yearbook now, and for many years to come.

# THE PEAK ROCKS

On October 30, 1988, the Peak Staff made a journey up to The Peak. It was a long, steep hike to the top, but the view from there was so breathtaking that it was well worth the effort. After we walked down to the bottom, the staff went to Mrs. McPherson's house and enjoyed an indoor picnic. That day was one that will not be soon forgotten by the 1989 Peak Annual Staff.

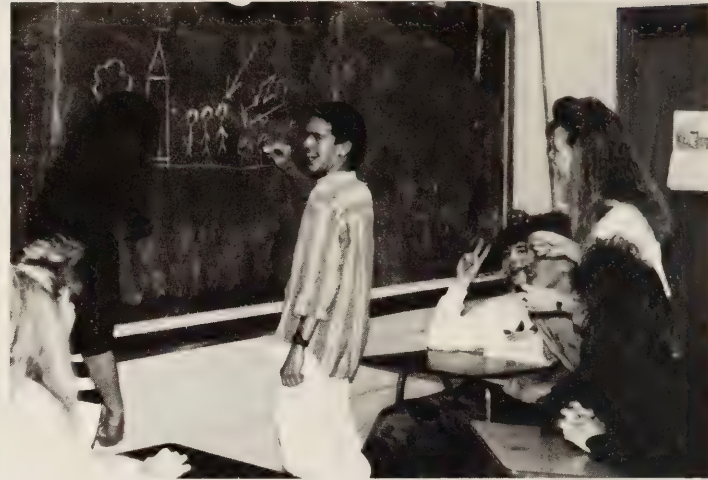

# CLUBS IN ACTION . . .

Teens for Christ demonstrates the importance of friendship by forming a friendship circle.

The Spanish Club likes to participate in entertaining activities that also educate them about the Spanish language. Here, some club members play Win, Lose, or Draw . . . in Spanish.

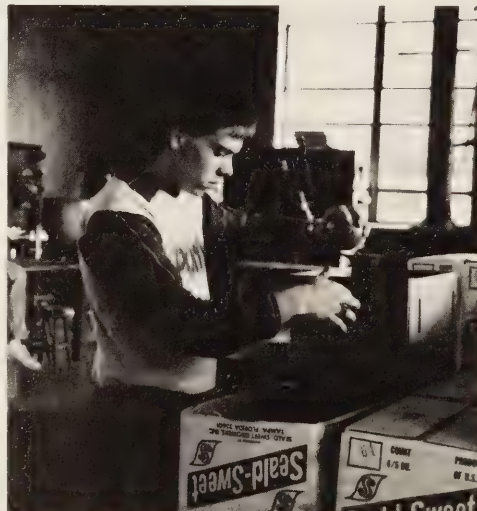

Stage TH helped a great deal with the Forensics competition. Registration of each participant was done by some members of Stage TH.

The BETA Club sponsors the BETA BOWL each year. The classes compete against one another to see which is the most knowledgeable.

The Latin Club after a one year retirement returns to Tazewell High. The club learns about the ancient customs of the Romans.

The FFA sells fruit annually. This year was no exception. The guys worked hard preparing the fruit for pick up.

The Art Club enjoys a variety of activities, including drawing, painting, and creating new ideas.

# ... AND MORE CLUBS IN ACTION

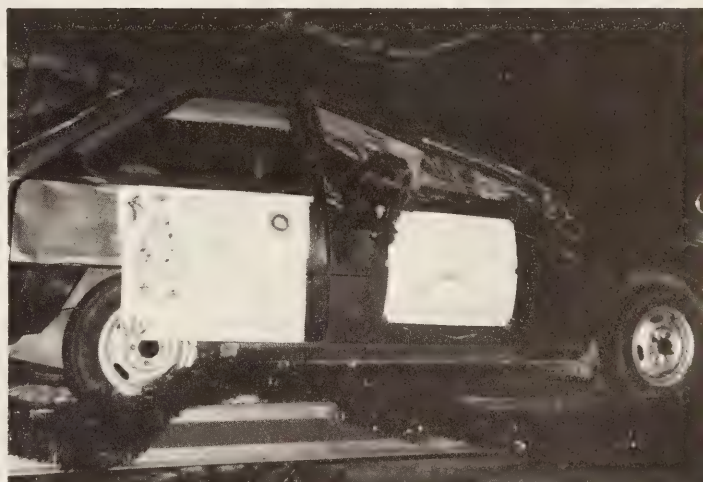

The FBLA has persons from the business world come to speak to them about a variety of business topics.

COE students help out in offices by contributing their office skills.

The SCA is an important part of THS. Here, the SCA is planning a project to raise money to improve Tazewell High.

SADD's first year at Tazewell High has proved to be successful. A number of things have already been done by the club. They entered the Christmas parade with a wrecked car showing what could happen if you drive drunk.

The FHA sponsors the Miss Puppy Chow Contest. Our THS guys looked so "pretty" dressed up like girls.

The Interact Club sponsors the Christmas House Tour to raise money for Polio Plus. Several students gave assistance in the house tours.

DECA students come to school half a day and then complete the rest of the day working at a local business.

Although this was not their best season of recent years, the Tazewell Bulldogs refused to let a 3-7 record dampen their enthusiasm. They continued to play with strength and determination, never slackening up, and had several close battles lost by only a few points. The Dogs defeated both traditional rivals Graham and Richlands, to become once again the Tazewell County Champs. Loyal fans saw many great plays and many great players. This season, although disappointing, was by no means a disaster. Our best wishes go to departing seniors, many of whom played on the 1986 State Championship Team. Next year's Bulldogs are expected to return as tough and tenacious as ever.

The varsity team's season was molded into a winning unit with the hard work and leadership of the four seniors. Three seniors received honors: Trenea Taylor and Mariska Whitt — 1st Team All District, Region IV Honorable Mention; Beverly Clifton — 2nd Team All District. Both the Varsity and Junior Varsity were inexperienced, but with drive, dedication, and desire they both advanced to the Southwest District Finals. The Varsity girls continued on to the Region IV Semi-Finals for the second consecutive season.

Although the Torpedoes are not a T.H.S. team, we have chosen to feature them in this year's Peak, because they include many T.H.S. students and have represented Tazewell outstandingly for several years.

During the summer of 1988, the Tazewell Torpedoes won their seventh straight Highlands Swimming Association championship. For the second year in a row and the sixth year in the past seven, the Torpedoes swept through their regular season meets undefeated. The competition came from Bluefield, Richlands, Concord, Giles, Wytheville, Welch, and Lebanon.

Captains for 1988 were Mandy Mundy and George Brown. The 81 boys and girls on the team voted to dedicate the season to the memory of Bobby Mitchell, a long-time team member who died during the first week of June.

## "YOU WEAR IT WELL"

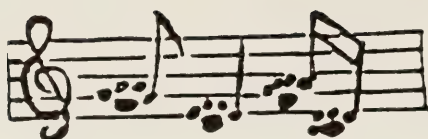

The 80's have been a decade of great sports interest throughout the country. One evidence of this interest is a popular current fashion, the "team shirt." These students and teachers enjoy showing their support for various college and professional teams, as well as our own Bulldogs.

## "POUR SOME SUGAR ON ME"

The ladies in the kitchen are responsible for serving lunches to the students and personnel of Tazewell High. Preparing 500 meals or more daily is not an easy task. Our appreciation goes to these individuals for a job well done.

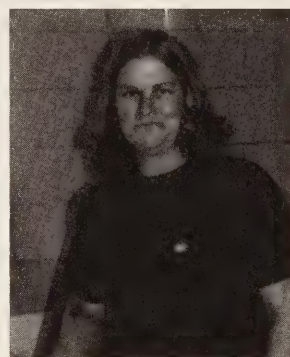

## "SWEEP ME OFF MY FEET"

The custodial staff takes pride in the maintenance of the school building and grounds. Many hours are spent daily by these individuals to meet the needs of the students, faculty, administration, and the community.

## the Challenge

From the atom to the sun... the universe pulsates with energy in many forms.

The challenge is to find ways... new ways... to utilize the earth's vast storehouse of fuels in providing the energy needed for this nation to continue to be great.

The means — innovative technologies, exotic engineering, dynamic architecture — exciting advances that must come if man is to tap Nature's lode for the energies he needs.

From the smallest part of the universe to the largest... that's the scope of the energy field today. The opportunity for personal achievement is infinite; the challenge, one that must be met.
